Dear Board Members:

We were engaged to conduct a performance audit of the Briggs Elementary School District (the District), Measure K General Obligation Bond funds for the fiscal year ended June 30, 2018. Our audit objectives included the determination of expenditures charged to the Measure K Bond Building Fund and whether the expenditures charged were made in accordance with Measure K approved by the voters in November 2014.

During the fiscal year 2017-18, the District did not incur nor report any expenditures within the Measure K Bond Building Fund and therefore a performance audit was not conducted.

Very truly yours,
