School Description

Briggs School realizes the challenges our students presently face, as well as understanding the expectations of our students will only continue to grow in the future. With this in mind, Briggs School has a strong sense of purpose in preparing our students to meet the challenges of our increasingly complex society. We employ a highly competent and deeply caring staff that is committed to ensuring your child's safety and ensuring that all students have opportunities to reach their maximum potential academically, personally, and socially. We believe that the best opportunity for success is made available through a nurturing environment with active participation of students, staff, parents, and community. Our curriculum is Standards-based and designed to support, challenge, and create lifelong learners. Briggs School has moved forward with technology offering student access to computers in each classroom throughout our campus. Briggs continues to participate in a partnership with VC Innovates and has a strong commitment to offering Engineering and Design through a robust Robotics Program. This year we have added a second module in the area of Performing Arts, and we are looking forward to strengthening our program as we continue to further align our Pathways with our feeder school.

Briggs School is truly an extraordinary place of learning. Our talented staff provides each student with quality education aligned to rigorous Common Core State Standards, high academic and behavior expectations, equity and solid foundation and preparation to become successful college and career ready citizens. As a result of COVID-19, our school switched to providing instruction via Distance Learning on March 13, 2020, until the remainder of the school year.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Briggs School sets a high priority on ensuring that sufficient and current textbooks and materials are available to support the school's instructional programs. Briggs follows the State Instructional Materials Adoption Cycle, which reviews and adopts instructional materials on a seven-year cycle that coincides with the State curriculum adoption cycle. Teachers, administrators, and parents review proposed texts and materials, and then make their recommendations to the School Board for official adoption. New materials were purchased for language arts intervention during the 2009-2010 school year. Houghton Mifflin/Harcourt Language Arts was adopted by the school district during the 2017 - 2018. Mathematics textbooks were adopted in the 2014-15 school year for grades 6-8. A new History Curriculum called TCI was adopted in 2020. This new material meets state standards. Science Curriculum was adopted in 2018 by implementing STEMscopes for all students in grades 5-8. . Currently, students have their own set of textbooks. The district has affirmed that each student has their own textbook to use in class and to take home.

We are well aware that computer literacy is extremely important in our modern society, and have taken steps to ensure that students have access to computers. Every classroom offers access to laptops, a printer, a Newline, TruTouch, Interactive Flat Panel, and document camera on a daily basis.

Classes offered in the visual and performing arts include theater.

School Facility Conditions and Planned Improvements (Most Recent Year)

Briggs School, built in 1926, houses the library, five classrooms, school offices, staff lounge, kitchen, and auditorium. In the 1950s, two additional buildings were built, which house six classrooms. The main building (A) and building B went through modernization in 1989. Building C was modernized in the summer of 2004. Additional parking, roofing, and electrical and mechanical infrastructure have been replaced in the last five years. Restrooms in the main building at Briggs Elementary School were remodeled during the summer of 2008, with remodeling to security fencing as described above during spring of 2010 and the secure front entry system was added in 2013.

We strive to maintain a safe, clean, and orderly campus that is conducive to learning. The combined efforts of students and staff help keep the schools clean and litter free. Our custodians take pride in maintaining organized, clean, and safe facilities.

Schoolwide assertive discipline procedures have been implemented. All visitors must sign in at the office and receive proper authorization to be at the school. Visitors are asked by the school site staff to display their pass at all times.

All classrooms retrofitted with energy efficient lighting and thermostats in 2018.

Briggs School Playground is in progress to be restored and modernized which when completed will include a reading courtyard, a track for running, and new basketball court. This project is scheduled to be completed in late 2020.

Briggs School, utilizing bond funding, extensively replaced or modernized all existing windows in the main building of the school. In building Wing B, the North facing windows were all replaced to new conditions. This modernization was completed in 2018.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	50	N/A	48	N/A	50	N/A
Math	30	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

The involvement of parents and guardians is extremely important to the success of our schools. Parents are involved in a variety of ways: Parent Faculty Organization (PFO), Briggs Educational Foundation, School Site Council, District English Learner Advisory Committee (DELAC), Latino Family Literacy nights, Parent English classes, classroom volunteers, chaperones on trips and special activities, library volunteers, and attending school functions.

Parents are made aware of opportunities to participate through our use of a variety platforms. Information is updated on the school website, school marquee, fliers, letters and phone calls. All communication is provided in English and Spanish, which is representative of our school population and demographic.

For more information on how to become involved at the school, please call us at (805) 525-7151.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The District superintendent and site principal update the School Site Safety Plan annually. All staff members are provided with regular in-service training regarding the plan and methods to provide a safe learning environment. Courses of action have been prepared for instances of fire, earthquake, intruder, and disaster. School uniforms are required and a no-tolerance policy for weapons, drugs, and violence has been adopted. The staff has received first aid training, and an Injury and Illness Prevention Program is in place. Additional parking was added to lessen the congestion during student drop off and pick up. A new electronic gate was installed in the staff parking lot in late spring of 2010, keeping the campus more secure and allowing access to the campus through that gate to only those individuals with the code. To ensure better control of access to the campus, a new front door security system with a camera and coded access was installed in 2013 at Briggs School. The School Safety Plan was last reviewed, updated, and discussed with the school faculty in January 28, 2020.

Suspensions and Expulsions

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The Professional Development Program is guided by the annual improvement goals developed by the LCAP team. The primary focus for staff development has been safety, school climate and Common Core Standards-based curriculum adoption and planning.

The district devotes three days during the school year for district staff development. However, throughout the year, teachers are encouraged to participate in workshops, conferences, and other training which is tailored to their classroom assignments and which will enhance their instructional practices.

Teachers and classified employees have been trained in First Aid which includes procedures when dealing with bloodborne pathogens, head lice, accident reports, CPR, emergency preparedness and epinephrine pen training.

Mandatory training in Sexual Harassment and Child Abuse Reporting were also part of the professional development series.

Curriculum Planning and Adoption focus was on Harcourt ELA training Phase II. LCAP Stakeholder engagement activities for all staff was also presented.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
