School Description

The SARC Report is intended to give the school community information about how Olivelihoods Elementary School is managed, how resources are utilized, and how our students are progressing on annual assessments. Olivelihoods Elementary and the Briggs Elementary School District are proud of their many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you find the information useful as all of us continue to enhance the curriculum program for all students.

Olivelihoods Elementary School is truly an extraordinary place of learning. Our talented staff provides each student with a quality education aligned to rigorous Common Core State Standards, high academic and behavioral expectations, equity and a solid foundation and preparation to become successful college and career ready citizens. Olivelihoods Elementary adopted the school motto, READ. LEAD. SUCCEED. Our staff is dedicated to improving the reading level of all students so that they can succeed in all academic areas. Data is monitored regularly and intervention given to individual students as needed. Our academic goal is to guide our students into becoming critical thinkers and problem solvers in a technological advanced society.

The 2019-20 school year was a unique year that presented challenges to schools never dealt with before due to the COVID-19 pandemic. Olivelihoods Elementary School adapted and responded to the needs of the families and students of Briggs School District while the school environment changed drastically after the school closure in March 2020.

During the traditional school year prior to March 2020, Olivelihoods Elementary School offered six laptops utilized in a small group in each Transitional Kindergarten and Kindergarten classroom. Each Transitional Kindergarten and Kindergarten student also had access to an Amazon Kindle tablet and educational apps that gave students practice in foundational skills such as writing letters and numbers. Each classroom first through fourth grade was 1 to 1, meaning each student had his or her own laptop. On these laptops, students in kindergarten through fourth grade practiced their foundational reading skills through the program Lexia Core 5 and practiced their mathematical skills through the Mathseeds program. Students in first through fourth grade achieved math fact fluency through the program Reflex Math and students in third through fourth grade practiced their nonfiction reading and writing skills through the program Achieve 3000. In addition, independent reading was encouraged through use of the online Accelerated Reader program. School-wide incentive programs were available in both reading and math to encourage growth and progress towards these foundational skills.

After the school closure in March 2020, Olivelihoods Elementary School in conjunction with Briggs Elementary School District, created and implemented a phased plan to continue program offerings. The first phase consisted of individual contact to all families to check on technological and social emotional needs in the home. This Enrichment Phase also had teachers providing a paper packet that reviewed curriculum taught up until that point in the school year. Through a survey to families it was determined the overwhelming majority of families preferred continuing with paper packets. For the second or Extension Phase which continued until the last day of school, teachers continued preparing paper packets that were picked up and returned every two weeks. In addition, teachers supported students and families with whole class Zoom meetings at least once a week, individual Zoom meetings for 1:1 support, phone calls, emails, texts and postcards.

Although it was a challenging year, Olivelihoods Elementary School continued to uphold its core value of maintaining a strong school and home connection.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

 *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Olivelands School sets a high priority on ensuring that sufficient and current textbooks and materials are available to support the school's instructional programs. Oliveland follows the State Instructional Materials Adoption Cycle, which reviews and adopts instructional materials on a seven-year cycle that coincides with the State curriculum adoption cycle. Teachers, administrators, and parents review proposed texts and materials, and then make their recommendations to the School Board for official adoption. The Houghton Mifflin/Harcourt English Language Arts/English Language Development curriculum was adopted in 2017. The Pearson enVision mathematics curriculum was adopted in 2016. The state of California is still reviewing Science and History/Social Science instructional materials that will be recommended for adoption. Oliveland will be looking to pilot Science and History/Social Science curriculums once available. Oliveland added STEMscopes as a supplemental science curriculum in the meantime.

There is an adequate supply of textbooks and other instructional materials required to support the school's instructional program. Currently, students have their own set of textbooks. An extensive variety of frequently updated reference and special interest materials, such as subscription to Scholastic News for each classroom are available. The district has affirmed that each student has their own textbook to use in class and to take home.

Every classroom is equipped with a printer, a document camera and an interactive flat panel. Oliveland Elementary has ensured the laptops provided in each classroom are equipped with current operating software to meet the needs of the new testing requirements using the Smarter Balanced Assessments.

School Facility Conditions and Planned Improvements (Most Recent Year)

Oliveland School was originally built in 1914 by the Limoneira Company. The School was rebuilt in 2003 with community bond money and now has 16 regular classrooms, a multipurpose room, a resource room, and an athletic soccer field.

Our school garden is housed on a portion of our old Oliveland School site. Within the school environment, our garden offers an unparalleled platform to help kids achieve learning goals in ways that are recommended by the California Science Content Standards.

We strive to maintain a safe, clean, and orderly campus that is conducive to learning. The combined efforts of students and staff help keep the school clean and litter-free. Our custodians take pride in maintaining organized, clean, and safe facilities. Rooms are cleaned daily.

Sun shade protection was installed in the kindergarten playground in 2018. Three replacement shades were installed over the lunch tables in 2019.

Fire pump was replaced with a new pump and all inspections have cleared.

HVAC replacements in 6 classrooms in 2018.

New energy efficient lighting and thermostats replacement for all classrooms and multi-use buildings in 2018.

School Facility Good Repair Status (Most Recent Year)Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: August 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	43	N/A	48	N/A	50	N/A
Math	36	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

The following are some examples in which parent volunteers are actively involved:

- Classrooms
- School Activities
- Parent Education Workshops
- Field trips
- Parent Nights
- A variety of School and District Committees such as:
- School Site Council
- LCAP
- DELAC
- PFO

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan was last reviewed, updated, and approved by the Board of Trustees on March 13, 2019. The district superintendent in conjunction with the school site council and site principal update the School Safety Plan annually. All staff members are provided with regular in-service training regarding the plan and methods to provide a safe learning environment. The goal of Oliveland's School is to create this environment as outlined through the School Safety Plan and by addressing the two components of school climate and physical environment of the school.

In regards to school climate, Oliveland's School has four Guidelines for Success. They are: "I will respect myself and others. I will be responsible for my choices and actions. I will come to school prepared to learn. I will always do my personal best." This school year, Oliveland's School expanded upon these Guidelines for Success by adding the Top 6 Rules in kid-friendly language. They are: Believe in Me, Be Kind with my Words and Actions, Be Honest and Say Sorry when I'm Wrong, Be Careful and Safe with my Choices, Be on Time and Be Focused, Be Brave and Try my Hardest. In addition, Oliveland's School uses CHAMPS, a proactive, school-wide management approach that helps provide structures for positive student outcomes in school settings. CHAMPS allows teachers to positively reinforce, thus creating an established rapport with their students. The overall goal of the CHAMPS classroom management system is to develop an instructional system in which students are responsible, motivated, and highly engaged in the specific task-at-hand. Oliveland's School expanded the use of CHAMPS this year by creating a tiered system of infractions and interventions that streamlines how all staff needs to respond to student actions. Oliveland's School also implemented a Positive Behavior Program that supported student attendance and behavior. Students were able to earn points based on their choices and actions and received incentives at the end of each trimester dependent on the number of points they earned. Oliveland's School continues to highlight character traits every month and has adopted the motto Read.Lead.Succeed. Oliveland's School is dedicated to fostering student success in reading and monitors their progress closely.

In regards to addressing the physical environment and safety of the school, course of action have been prepared for instance of fire, earthquake, intruder, and disaster. School uniforms are required and a no-tolerance policy for weapons, drugs and violence has been adopted. The staff annually received first aid and CPR training as part of the safety program.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.4	0.0	1.4	2.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The Professional Development Program is guided by the annual improvement goals developed by the LCAP team. The primary focus for staff development has been safety, school climate and Common Core Standards-based curriculum adoption and planning.

The district devotes three days during the school year for district staff development. However, throughout the year, teachers are encouraged to participate in workshops, conferences, and other training which is tailored to their classroom assignments and which will enhance their instructional practices.

Teachers and classified employees have been trained in First Aid which includes procedures when dealing with bloodborne pathogens, head lice, accident reports, CPR, emergency preparedness and epinephrine pen training.

Mandatory training in Sexual Harassment and Child Abuse Reporting were also part of the professional development series.

Curriculum Planning and Adoption focus was on Harcourt ELA training Phase II. LCAP Stakeholder engagement activities for all staff was also presented.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
